Doug Geisel prepared a Financial report for the Float Fly that indicated a profit of \$72.00 which was considered good considering the awful weather and flying conditions.

It was agreed by all that next year the Float Fly would be held at the same place and time. Cliff is to look into booking the park for July 3, 2010.

Ray Savard stated that if the Plane that he promised for the raffle to be held during the Fun Fly did not arrive in time than he would donate a P-40 aircraft instead and return the \$100.00 to the Club in exchange for his next two years membership

Karl stated that the Club would require 5 sets of wings for awarding members who successfully complete the

Wings program. Doug was to purchase same.

Cliff stated that there were suggestions made from some members about having early elections so that the “Snow Birds” would be able to vote for the Club Executive members, before they depart for Florida.
