A Big Salute to:

Cliff Merpaw thank you for your many years of service to the club. You will be missed!

New Feature!

Airplane of the Month

Jack Dickland brought a Top Flite Cessna Skylane 182 kit almost completed.

The Skylane 182 is an icon of general aviation. It was introduced in 1956 when Cessna decided to upgrade the venerable 180 to a tricycle gear configuration.

Jack will complete the model plane with an electric motor of .90 size equivalent.

I will be doing a feature every month so if you have any submission you want featured please email me.
